2	Prince
3	Madonna
4	Reggie Lucas
5	Curtis Hudson & Lisa Stevens

Notes: *Removed playtime from CD (could have kept it, but you should be able to retrieve it with "SUM(track.time)")*

Removed artistnum from track, because it already exists in CD.

Added title in track.

Some songs have multiple authors, but the task description says only one author per song. In this solution, its solved
